

REMARKS

Reconsideration of the subject application as amended herein is respectfully requested.

In its opinion, the Board has reversed the rejections of claims 7, 14, 15, 16, 27, 34 and 35. Accordingly, the claims have been amended as follows. Claim 1 now incorporates the limitations 6 and 7 (and in addition minor typographical corrections have been made to eliminate some inconsistencies). Claim 11 has been amended to include the limitations of claim 14. Claim 17 has been amended to incorporate the limitations of claim 25. Claim 35 has been amended so that it is now on independent claims and incorporates the limitations of claim 17. Some of the remaining claims have been amended by changing their dependency to conform to the changes recited above.

It is respectfully submitted that the subject application is now in condition for allowance.

Respectfully submitted
Gottlieb, Rackman & Reisman, P.C.
